EDUCATION

Bachelor of Technology (B.tech) - Aerospace Engineering | Indian Institute of Technology Bombay (IIT Bombay) | 2021-2025

PROFESSIONAL EXPERIENCE

Epifi (Tetriz) Product Management [Jul 2026-Present]	- Built GTM automation for outbound pipeline (Sales Nav → Apollo → HubSpot) on 6.2K+ ICP leads - Owned 0→1 social media strategy on Instagram, YouTube & TikTok for organic brand growth - Set up & scaled AI content engine turning daily trend signals into fact-checked blog & LinkedIn posts Impact: 35K+ organic views on a single reel; ~5x outbound reply rate (0.2% → 1.2%) in a month
Geminus Tech (Client: Toshiba) Software Dev [Jun 2025-Jul 2026]	- Working on frontend firmware layer for NVMe-based SSD drives deployed in production environments - Analyzed firmware logs to diagnose post-launch SSD failures impacting enterprise customer deployments - Implemented root-cause debugging workflows, significantly improving turnaround time for critical issues - Identify NVMe protocol bottlenecks affecting drive stability, reducing recurring performance escalations Impact: Reduced recurring firmware issue turnaround time by 25% , strengthening pre-release validation
Sensorama Technologies Software Dev [Jun-Jul 2024]	Awarded Letter of Recommendation for delivering production-ready, impact-driven system improvements - Designed and optimized touch-based interface for HPLC hardware system, enhancing operational usability - Re-architected UI workflows to improve navigation clarity and reduce user interaction friction - Implemented multi-profile storage system enabling personalized configurations and workflow flexibility Impact: Improved overall device usability by 35% , accelerating adoption across end users

KEY PROJECTS

Founder's Office Shadow Project Quick-Commerce [2026]	Simulated end-to-end Founder's Office ownership for a high-burn, multi-city quick-commerce startup - Diagnosed unit economics of 8 dark stores, identifying 18% burn inefficiencies & city-level execution gaps - Authored decision memos outlining trade-offs, SOPs & built KPI dashboards for weekly CEO reviews - Delivered a 30-60-90 day roadmap projecting 12–15% cost optimization & improved store-level CM
AI System to Reduce CEO Cognitive Load [2026]	Built an AI-powered executive agent using n8n to reduce decision fatigue and reporting overload - Converted raw operational metrics across 5+ functions into weekly executive summaries and briefs - Designed risk-scoring & prioritization logic to flag high-impact issues requiring immediate attention - Reduced manual reporting effort by 60% while improving decision turnaround speed by 35%
Startup Efficiency Audit Self-Project [2026]	Conducted structured operational audit to improve unit economics with fleet, inventory & support functions - Modeled cost leakages across delivery, perishables & refunds, identifying 15–56% efficiency improvement - Designed dynamic batching, markdown pricing & AI refund validation with risk-tier scoring +11pt margins - Built KPI and ownership framework shifting from founder-centric to scalable, city-level accountability
Image Classifiers Guide: Prof. Biplab Banerjee [2024]	Conducted structured deep learning experimentation to optimize image classification model performance - Benchmarked multiple CNN and hybrid architectures, improving classification accuracy by up to 27% - Applied systematic regularization and model tuning techniques to enhance generalization - Achieved 98.5% satellite image classification accuracy through architecture optimization and experiments

LEADERSHIP ROLES

NCC IIT Bombay Media Head [2023-2024] Web Secretary [2022-2023]	<i>Spearheaded 30+ member 3-tier council Decorated with Cadet under Officer rank, 2nd highest rank NCC</i> <table><tr><td>Leadership</td><td> - Led 70+ cadets as Company Captain, securing First position in overall Championship - Appointed Contingent Commander, leading 70+ cadets on 74th Republic Day Parade </td></tr><tr><td>Management</td><td> - Organized 20+ events & Annual Training Camp-410 impacting 500+ cadets and institute - Initiated Media Championship with 5+ genres and workshops for broad exposure - Added Book of Record & FAQ page, increasing visitors by 50% & boosting engagement </td></tr></table>	Leadership	- Led 70+ cadets as Company Captain, securing First position in overall Championship - Appointed Contingent Commander, leading 70+ cadets on 74th Republic Day Parade	Management	- Organized 20+ events & Annual Training Camp-410 impacting 500+ cadets and institute - Initiated Media Championship with 5+ genres and workshops for broad exposure - Added Book of Record & FAQ page, increasing visitors by 50% & boosting engagement
Leadership	- Led 70+ cadets as Company Captain, securing First position in overall Championship - Appointed Contingent Commander, leading 70+ cadets on 74th Republic Day Parade				
Management	- Organized 20+ events & Annual Training Camp-410 impacting 500+ cadets and institute - Initiated Media Championship with 5+ genres and workshops for broad exposure - Added Book of Record & FAQ page, increasing visitors by 50% & boosting engagement				
Indian Games Kabaddi Captain [2022-2024]	Coordinated with Indian Games Secy for team management, ensuring logistics, training and participation - Pioneered first-ever girls kabaddi team at IIT Bombay, securing silver at Avhan, IIT Bombay's Sports Fest - Achieved 1st runner-up position at Udghosh, India's largest college sports fest with team collaboration				

ACCOLADES & EXTRA CURRICULARS

Scholastic	Achieved 99.27 percentile in MHT CET 2021 – PCM out of over 0.19 million candidates nationwide		
Skills	<table><tr><td> - Strategy & Ops: unit economics KPIs SOPs - Tech: C C++ SQL python React Node Next </td><td> - GTM: outbound lead gen ICP CRM SEO/AEO - AI & Tools: n8n Claude HubSpot Apollo </td></tr></table>	- Strategy & Ops: unit economics KPIs SOPs - Tech: C C++ SQL python React Node Next	- GTM: outbound lead gen ICP CRM SEO/AEO - AI & Tools: n8n Claude HubSpot Apollo
